

## Validation Workshop

On the 4th of April, 2023, our Executive Director attended the validation workshop of the report of the formative assessment conducted across the IGNITE project states (Adamawa, Kano, Kwara), which will inform the design of a Social Behaviour Change Strategy that will influence the behaviors of Cowpea farmers to improve their nutritional outcomes.

This assessment was conducted for Tanager. Our ED served as one of the research report reviewers.

## Year of Consolidation

### The Fourth Month

Dear Reader,

CGE Africa is a comprehensive research, advocacy, capacity development, and advisory services nongovernmental organization.

We engage with policy makers, executives and community people to create innovative solutions for achieving economic equality, advancing work, and creating economic security for women.

We promote the consideration of gender economic inequalities and find out exactly how they can be resolved by people of all genders in the
